

**CORONAVIRUS UPDATE**

**As the situation regarding coronavirus progresses across the South West and the UK, we would like to provide an update from our team.**

**Our showrooms are currently open, with our teams taking all necessary precautions to limit the spread of infection. We are following all government advice provided to us at this time and will continue to do so.**

**If you have an appointment booked with us, and would like to reschedule, please feel free to do so by contacting your local showroom. Our team are available to answer any questions you may have during this time - you can contact us by phone, via email or through our social media channels.**

**We will keep you updated throughout this situation.**
